In addition, when using these services, you shall be subject to any posted guidelines or rules applicable to such services. Any participation in this service will constitute acceptance of this agreement. If you do not agree to abide by the above, please do not use this service.

This agreement is between:

“The Provider”: Age Concern Day Centre, 25-27 World’s End Hill, Bracknell, RG12 0XH and the “Service User”.

By completing and submitting our ‘Support Plan’ you are agreeing to all these terms and conditions contained.

Journey into Our Care:

Before Age Concern Bracknell Forest can offer support and a place at our day centre, we require a support plan to be completed. The support plan needs to be completed by you or your representative (or both) to give us (Age Concern Bracknell Forest) the best understanding of your care needs and to make sure that we can meet your needs. Please read below and complete the separate support plan once this document is read and understood.

1. The Service:

We will provide you with a team of carers offering support services and a wide range of social, personal, and recreational activities in line with your assessed needs shown in your support plan.

The support plan will include details of all your medical and physical conditions. We regularly review support plans but do request that we are kept informed of any changes in contact details, medication, medical conditions, care arrangements, or mental status as they occur.

All service users coming to the day centre will be assessed using the 'Dependency Tool' adopted by Age Concern Bracknell Forest. This tool determines if we are able to provide the level of care required by the service user. It is also a tool we use to review, and feedback to you / your representative of how things are going for you and if the care we provide is still appropriate.

Restraint: We do not restrain any clients. In a scenario where a client's actions impair their health and safety, or the health and safety of others we follow our aggressive behaviour guide where we encourage the affected service user into noncommunal areas and attempt to de-escalate the behaviour verbally. We have provisions in place to keep clients from accessing unsafe areas un-supervised. If a client is showing continuous signs of distress, we will contact the client representative/emergency contact to collect them immediately. Age Concern Bracknell Forest will assess on each occasion if we can continue to provide the right service based on the behaviours displayed.

Age Concern Bracknell Forest will help people with basic personal care such as getting to the toilet and un-buttoning. Urinary incontinence is not a barrier, provided it can be managed adequately (The person is not constantly wet or requires constant care with toileting). We are unable to provide intimate personal care (except in an emergency, to protect the client's dignity).

Incontinence products used by the individual must be provided by the person/family for use while at the setting. Age Concern Bracknell Forest cannot always guarantee the exact products provided will be used. If incontinence leads to soiling of clothing, Age Concern Bracknell Forest will provide basic clothing and will insist on its return 7 days later, laundered (or next session after 7 days). If the clothing is not returned or returned late a charge of £35 will be applied to the next bill.

While physical disability is not a barrier at the day centre, each potential client will be assessed on a case by case basis to ensure the individual can be cared for safely. The Age Concern Bracknell Forest day centre is a social arena where clients mix and interact with each other. Individuals who cannot cope with social situations or with a degree of noise (talking or laughing) may not be able to cope well at the day centre and it may prove to be an inappropriate environment for such individuals.

2. Trail Periods / Monitoring:

Trial Period: The first two weeks of your placement in the service will be a trial period. This period may be extended to allow us to further consider your care needs. If you are not happy about anything during this period, you or your representative should arrange a meeting with management to discuss. Standard Fees (£47 per day) are still applicable during the trial period.

During the trial period, if you do not wish to continue your placement, you do not have to. In these circumstances, you or your representative (or both) should tell management before the end of the two weeks, there will not be a need during this period to serve us with an additional two weeks written notice (as per our normal cancellation policy below).

Monitoring and Review: Together with you and your representative we will review your place at the end of the two-week trial period. We commit to reviewing your place every 3 - 6 months or when deemed appropriate (for example a significant change in behaviour). You or your representative may also request a review at any other time. Reviews are held with management and if appropriate with a care worker as well. We will arrange for reviews to be held and documented at a convenient time (where possible) with notice. Age Concern Bracknell Forest is able to conduct reviews in person, over the phone, by email, or through video conferencing media (Skype, Teams, Zoom).

The purpose of any review meeting is to make sure that you are still happy with the support service and to discuss any changing care needs you may have, if necessary, changing your support plan. It is a chance for us to update you with any information we have or concerns in relation to continuing to offer a place within our day centre. We will also share with you the changes that our 'Dependency Tool' indicates. Failure to participate in review sessions may mean that the reserved space at the day centre is ended.

3. Illness / Medication / Meals:

Age Concern Bracknell Forest can support with certain types of medication during the day. Please list information on the support plan and speak to management who can detail what duties we are able to perform. There are specified rules involving medication by law that we must follow even if the client or representatives gives permission. This may mean we are unable to support administering or supporting certain types of medication in our centre. Management can inform you of all relevant information if needed.

Meals - Age Concern Bracknell Forest will commit to serving a two-course meal (normally main meal and dessert). Meals are served at mid-day between 12 – 2pm. Specific allergies and dietary requirements will need to be discussed with management to ensure we can provide a safe environment for the individual. Additional snacks, beverages are served throughout the day or upon request.

Illness: ACBF asks that any service user who has any illnesses that can be passed on such as (but not limited to) colds or flu (or anything medically advised that can be passed on) to remain home until symptoms diminish or medical advice is given meaning an infectious period is over. Standard charges still remain in the event of a service user not attending due to illness. ACBF reserves the right to send home anyone exhibiting distress due to presenting such illnesses or displaying symptoms. This is for the safety of other vulnerable service users who may be adversely affected by contracting diseases. ACBF operates under its "Infection Control Policy" which can be provided if required.

Additionally; you must **NOT** attend the day centre if the service user has had sickness or diarrhoea. We insist on a 48-hour period from the last time the person was sick or had diarrhoea. If a client displays symptoms of sickness or diarrhoea at the centre their representative / emergency contact will be called to collect them immediately.

4. Our Fees:

Age Concern Bracknell Forest charges for a place at the day centre. The daily fee is £47 per day for a space. The centre is open from 9am until 4pm.

This charge primarily covers (*but is not limited to*) access to a safe, secure building and garden that is well maintained. A team of experienced carers who will support the service user through the day, a two-course lunch, morning and afternoon refreshments/snacks, and a range of organised structured activities and entertainment daily.

The daily fee (£47) is for your place on your chosen day (s) at the day centre only ** and the services we offer within the day centre. Age Concern Bracknell Forest is not responsible for ensuring clients can get to the day centre / or home again. ACBF does **NOT** provide transport. ACBF may be able to signpost to local services upon request.

Fee invoices are raised monthly and require payment in advance. Meaning you pay for the month ahead before accessing the service. This is done to ensure payments are on time and no bad debt can accumulate. Invoices will be issued in good time, and must be paid in advance before attending the setting. If invoices are not paid, the service user will not be granted access to the setting.

PLEASE NOTE: Initial invoices may be higher than normal rolling monthly invoices as initial payments will be for the remainder of any month a person joins and the following month combined.

We reserve the right to charge interest on late payments at a rate of 6% above the base rate and will seek recovery of any unpaid fees via the small claims courts. Age Concern Bracknell Forest does not allow bad debt to accumulate and if invoices for fees remain unpaid then placements will be ceased.

****For Clarity:** You are paying for a reserved guaranteed place at the day centre. This is irrespective of attendance. A charge will be applied for the number of times per week you / your loved one has signed up for. No discounts, reductions, or other changes can be made in event of none attendance. This includes medical appointments, holidays or breaks as charges will still be applied. You will continue to be charged for the agreed number of days until a formal cancellation notice period is served (if after the initial two-week trial period). See cancellation policy.

If a client is not collected on time from the day centre there will be an additional late payment charge of £20 per 15 minutes of lateness.

If you have served a formal two-week notice period with the intent of ending a placement and you have already paid in advance for the month ahead, you will be refunded any monies paid above the required notice period. Refunds are normally issued within a 30-day period from the end of the formal notice period.
